Company Overview

CompuWorld Systems For IT solutions

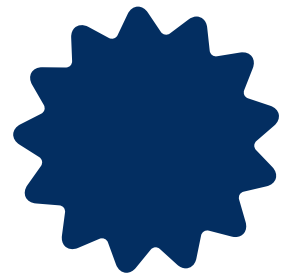

a pioneering company, established in 1996, with the mission of becoming the largest provider of end-to-end IT solutions.

Over the years, our name has become synonymous with absolute commitment, guaranteed quality, and exclusive value-added services, making us the preferred choice for businesses seeking reliable and innovative IT solutions.

Our History

+25
YEARS IN
BUSINESS
AND STILL
COUNTING

CompuWorld Systems established in 1996, to become the largest company to provide comprehensive information technology solutions. Over the years, all of our clients relied on our experience and capabilities concerning various IT demands. CompuWorld Systems name indicates Absolute Commitment, Guaranteed Quality, and Exclusive Value Added.

Now, we have become specialized in providing IT solutions in all its forms, and our business strategy is based on three main dimensions:

1. Retail

We are a platinum partner of Lenovo and premier partner of Schneider electric.

We provide a strong partnership with our distributors.

2. Services

Our certified team is trained at the highest level for installations and maintenance of computers and laptops.

We provide one of the best support and after sale services.

3. Solutions

We set up the server room for "Goods village in Cairo international airport"

We are the main founder of the server room for "BiscoMisr Company"

We established the server room for "Egyptian Countryside Development Company"

Vision

Our vision at Compu World systems is to be the Leading Provider of end-to-end IT solutions in an cost-effective manner and sustainable future across Africa.

Mission

Our mission is to provide clients with comprehensive and creative IT solutions and services to empower them achieving their business goals, growing, and transitioning into the new era of technology.
